They read - They came -

GENUINE
AMOCO
IS BACK!

They came back for more!

Behind the Amoco name is a 35-year story... the story of America's first special motor fuel... distinctly different... in a class by itself. So when the word went out that GENUINE AMOCO was back, the rush to the pumps was on! For millions of motorists the return of Amoco-Gas stopped all arguments about motor fuels.

If you are confused by the gasoline ads these days, remember: It's not what's in the ads, it's what's in the tanks that counts! Fill up with Amoco-Gas just once. Quicker than it takes to tell you about it, your car will tell you why the crowds turned out when they heard the word: "GENUINE AMOCO IS BACK!"
